OUR ELEMENTS COLLECTIONS

YOUR GUIDE TO WORKING WITH ELEMENTS

ABOUT ESPRESSO

Transform your space with just a few coats of paint effects. For every texture, there's an **ELEMENT** to match.

ABOUT ELEMENTS

With an inspiring collection of textures and finishes for spectacular spaces, **ELEMENTS BY ESPRESSO** brings a whole new dimension to the world of paint and effects.

Enabled by **ESPRESSO** technology, we make it easy for designers and homeowners to reinvent their spaces with minimal effort and lasting results.

UNDERSTATED LUXURY

Whether it's a distressed wall finish or a subtle metallic shine, **ELEMENTS** is designed to elevate the look of your space with minimal effort. Evoke a sense of elegance and luxury with effects that elevates the ambience of your space.

CREATIVE EXPRESSION AND INDIVIDUALITY

Explore endless possibilities for transforming your space. **ELEMENTS** will bring your creative vision to life — a seaside escape with fabric and sandy textures, an urban retreat with grunge and metal. Combine different effects from our collections to create a look that is uniquely yours.

COLLECTIONS

In the next few pages, you'll find five collections — each containing plenty of **ELEMENTS** paint effects to choose from.

Choose a collection to explore by clicking on the labels below.

METALS

Add subtle lustre and shine using natural metals.

SHELLS

Be closer to the sea
with sandy textures
and shell finishes.

STONES

Bring in the earth's natural textures with stone textures.

FABRICS

Add a touch of softness
to your space with
weaves and silks.

COSMOS

Explore another world
with effects that mimic
galaxies and terrain.

METALS

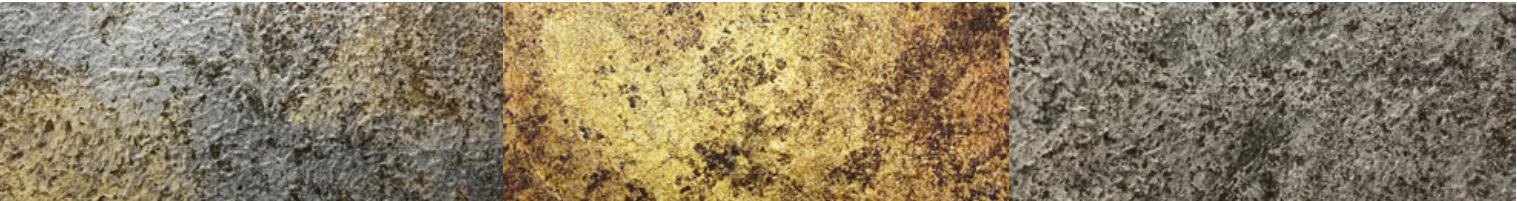

The lustrous finish and shine of earthly metals.

Add a touch of shine to an accent wall with a precious metal finish.

Even small accent spaces using these effects make a big difference.

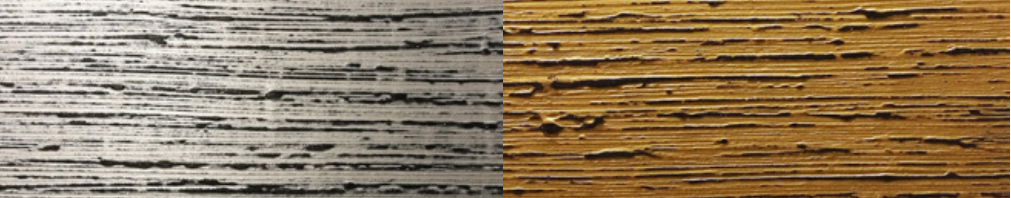

METAL ORE
The rough texture of ore gives depth and character to any space.

ANTIQUE METAL
Relive another era with these vintage finishes.

CRACKED EARTH
Beauty in the chaos of a distressed and aged metallic finish.

RIDGED METAL
Combed metallics give a sense of direction.

Metallics aren't limited to industrial spaces — they can be homey too.

RAW METAL

Get industrial with muted shine with subtle metal grain texture.

METALLIC CONCRETE

Lightly brushed concrete with strokes of grain.

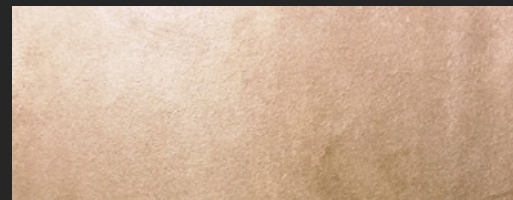

SANDBLASTED METAL

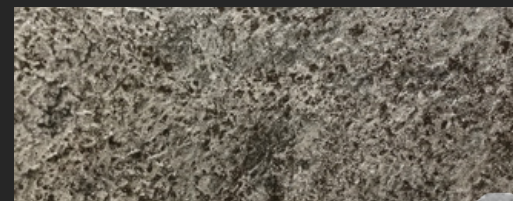

A sandy, speckled finish with lots of texture.

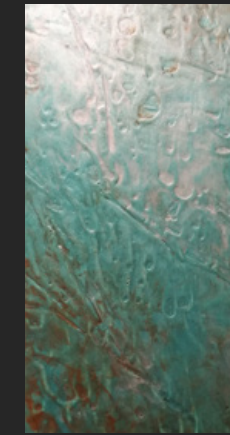

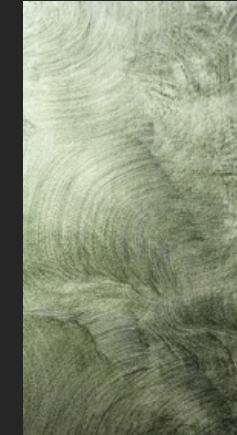

A little paint effect can go a long way — use a stencil with our metallic paints to add shine on a blank space.

A single shade of metal can provide an interesting contrast to a neutral space.

A metallic accent wall also complements a space built on tones of a single color.

SHELLS

The call of the ocean, the textures of the sea.

Evoke a sense of calm with a sandy turquoise finish to remind you of the seaside.

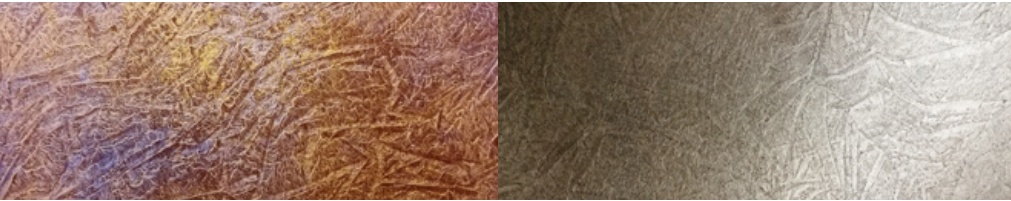

Add a subtle touch of elegance to a minimal space.

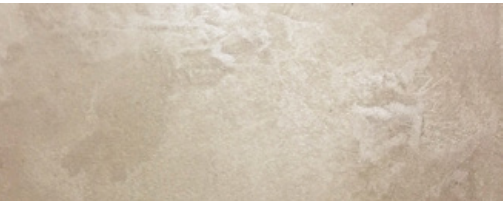

BEACH SAND

Imagine sand as it blows along the beach shore.

OYSTER SHELL

Rough lines and deep ridges like the outside of a shell.

RAW PEARL

The understated elegance of pearl.

CLAM SHELL

A swirled texture with subtle shine.

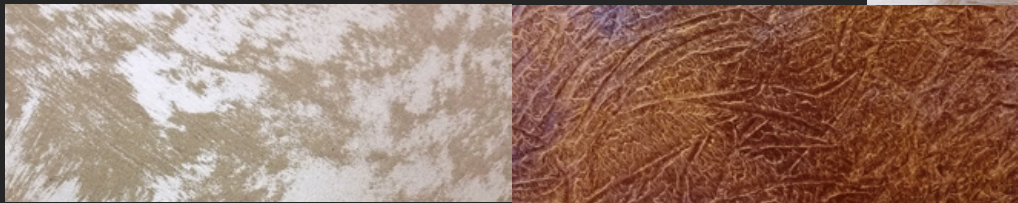

MUSSELS

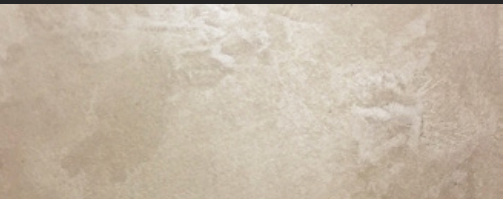

Gentler waves of texture on a smooth surface.

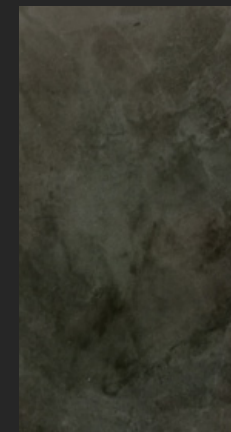

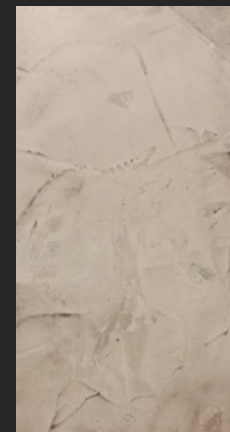

Play up a theme with colors and effects from this collection.

Don't be afraid to mix these effects with other patterns, prints and pops of color.

STONES

The textures
and colors of the
earth's surface.

Combine different stone
finishes in one space for a
distinct look.

Marble works well with neutral tones.

GRANITE

A speckled rock finish with the right attitude and texture.

ASPHALT

A stippled flat finish with a grainy look.

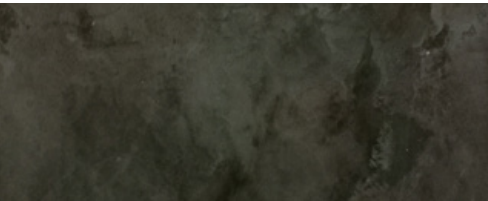

BEACH SAND

Imagine sand as it blows along the beach shore.

PYRITE

A distinct combination of refined and raw with an aged metallic sheen.

SLATE

A versatile matte stone finish that is easy to maintain.

MARBLE

The sophisticated look of Italian marble.

RED LIMESTONE

Bold, textured red.

CLAY

Bring in an earthy and natural vibe.

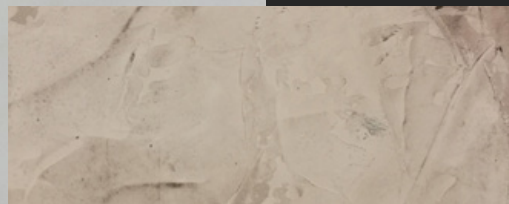

IRON ORE

A stippled mineral with a little shine.

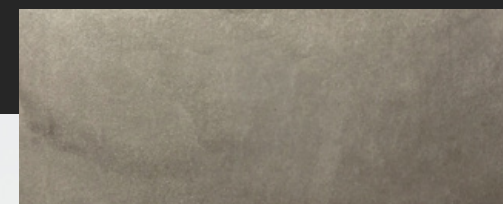

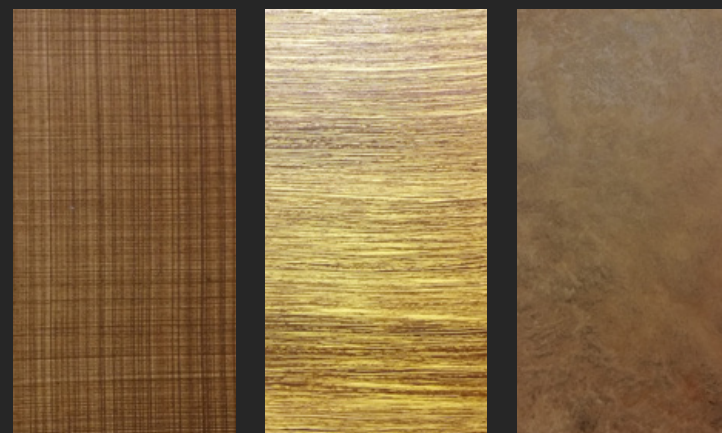

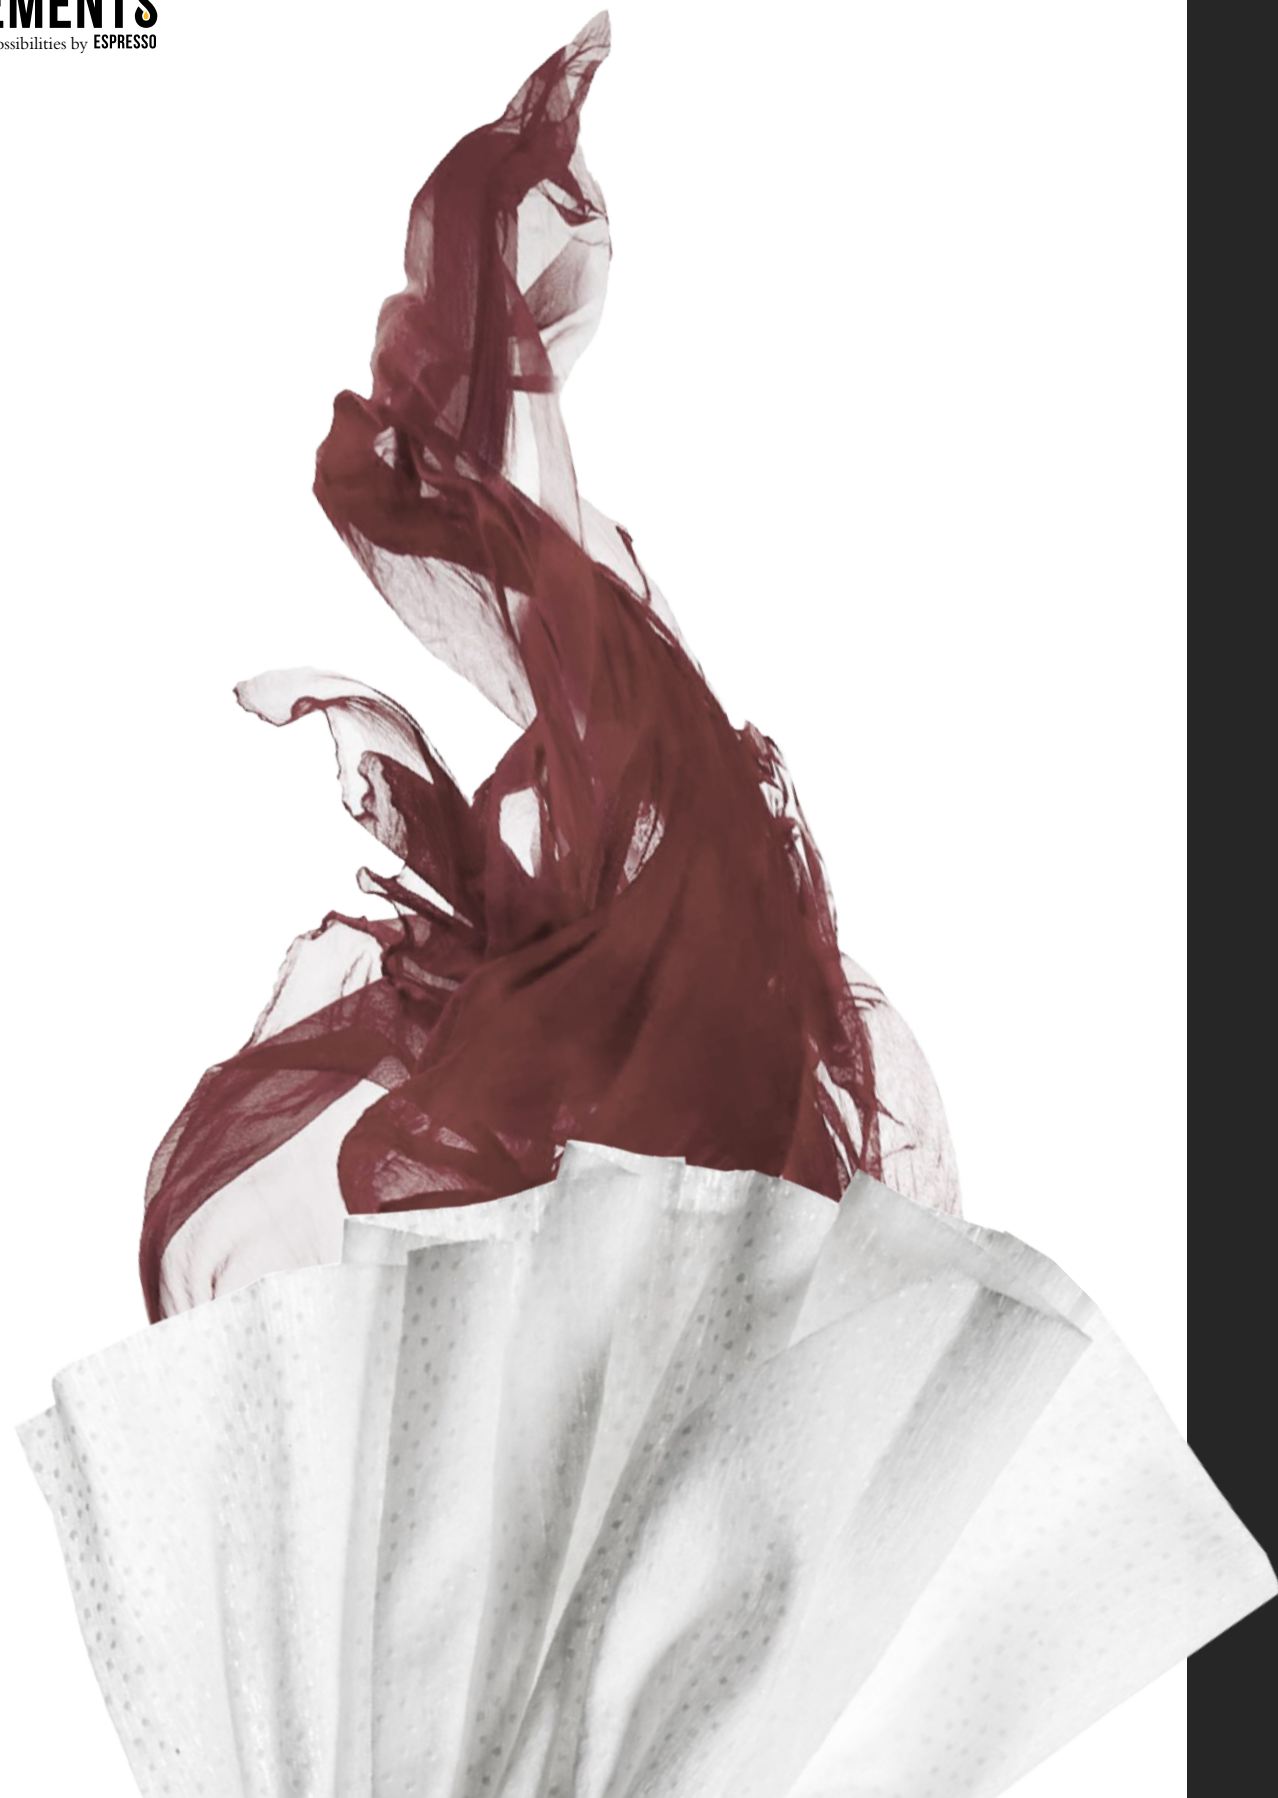

GRUNGE CONCRETE

Give your wall some aged character with grunge concrete.

Stone effects are versatile, adding depth and dimension to a space without calling too much attention to itself.

FABRICS

The luxurious
beauty of woven
wonders and
rich silks.

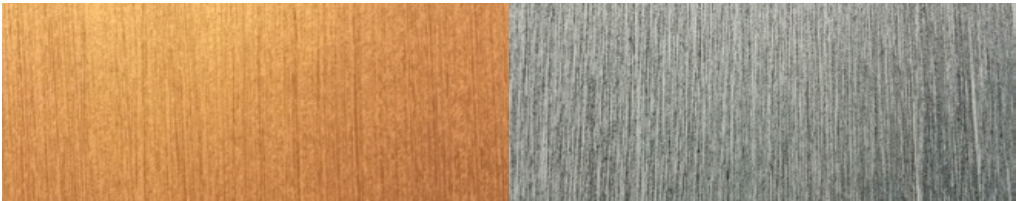

Weave elegance into
your walls by mixing and
matching different textures.

Soften up a space with a fabric texture for more relaxed surroundings.

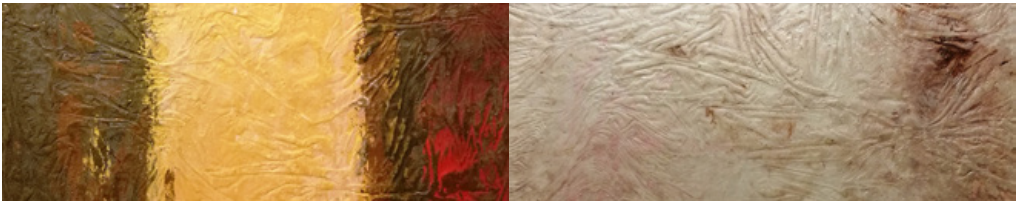

CRINKLED CREPE
Gently creased and pleated folds for vertical texture.

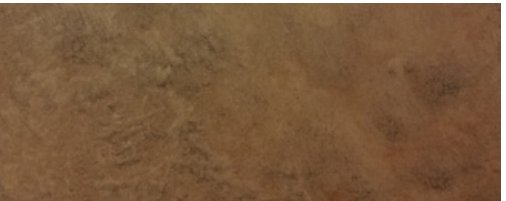

RAW SILK
Woven threads with a subtle sheen for textured opulence.

THREADS
Wisps of loose threads running in the wind.

CRUMPLED FABRIC
Lightly distressed fabric for a casual look.

LEATHER
Soft, supple leather for comfortable, confident luxury.

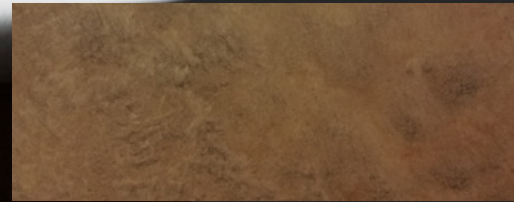

CROSSHATCH
A vintage style to bring old-world charm to your space.

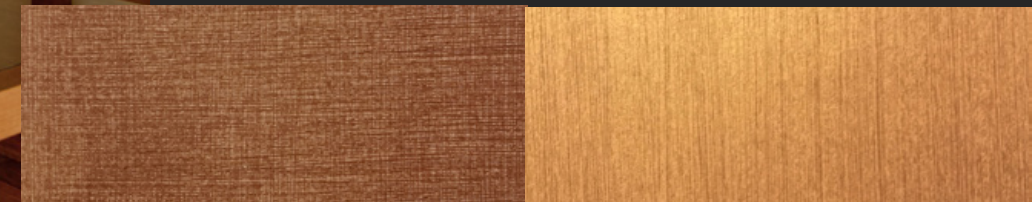

LINEN
Easy breezy linen makes for relaxed living room lounging.

Add a woven touch to a traditionally designed space.

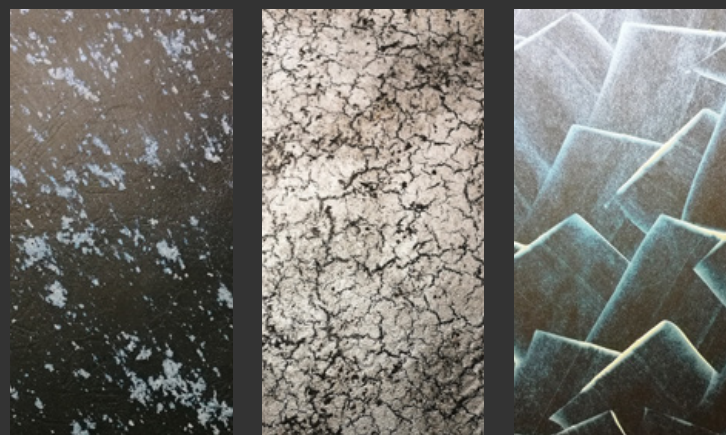

Keep your white walls and use the fabric texture as an accent on the ceiling.

COSMOS

The ethereal
mysteries and
wonders of the
universe.

Get a glimpse of another
world in your home with
these terrain-like finishes.

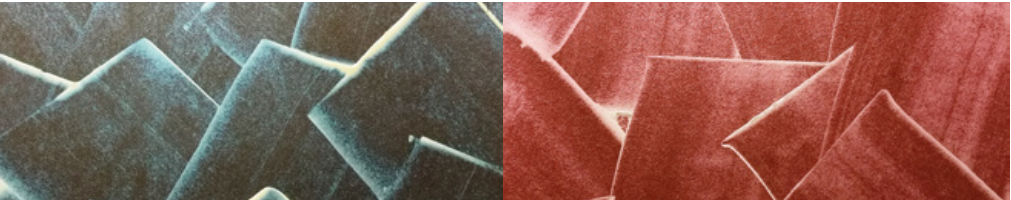

Make a bold statement in your minimalist space.

CRACKED EARTH
Picture the cracks of the dry desert lands.

CRYSTAL
Intergalactic ice formations for unique shapes.

COSMIC GRANITE
A stony finish that tells of the many stories of stars

LIGHTNING STORM
A veined network of lightning gives rich character and texture.

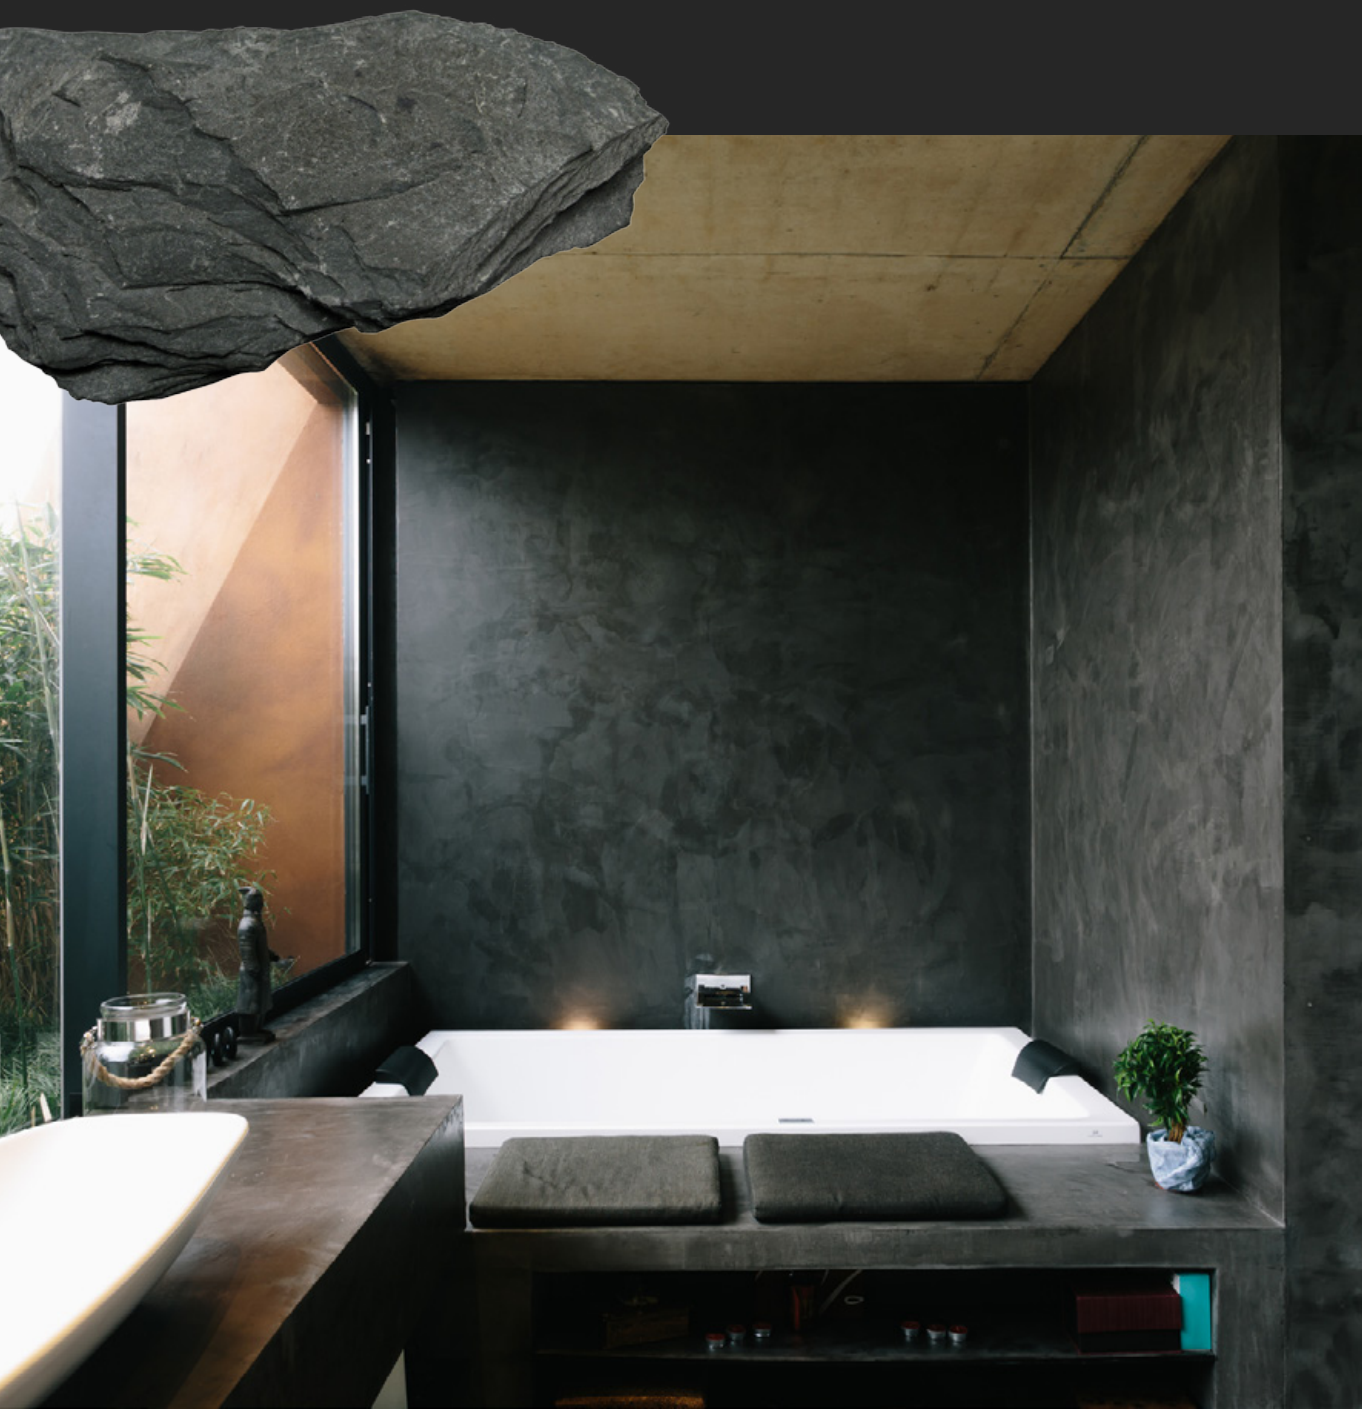

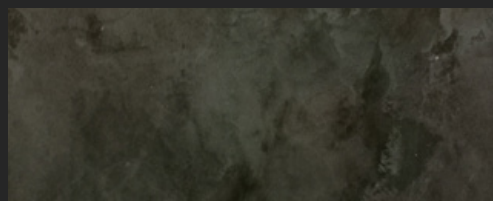

Use these terrain-like finishes on ceilings and walls to create lots of depth and texture.

Add a cosmic finish to create an otherworldly setting for your space.

Now that you've
seen what **ELEMENTS**
can do, let's work on
your space together.
